

Newsletter No 6
10th January 2019

Dear Parent/Carer, Happy New Year! Welcome back to term 3.

Club Activities

Our extensive range of club activities start again next week. If your son/daughter joins an activity can you please ensure they attend each week unless there is a genuine reason for absence. With so many adults giving up their time to provide so many exciting and valuable opportunities it is important that children demonstrate their commitment.

Football V Temple Hill

The boys enjoyed a 5-2 win against Temple Hill on Tuesday 8th January in our first friendly match of the New Year. The girls are looking for an equally positive result on Thursday 10th January.

Young Voices

Monday 4th February sees our choir performing in the 'Young Voices' concert at the O2 arena. This is a highlight of the school year when the children get to perform to a packed audience at an internationally famous venue.

Science Week

Mrs Cooper has been busy planning an exciting and interesting science week during the w/c 11th February. The children will be engaged in a range of investigative activities. Hopefully it won't be spoilt by the severe weather that impacted on it last year.

Foundation Stage

We look forward to some renovation and repair work in Foundation Stage during the February half term with a replacement canopy being fitted and a new walkway tarmacked underneath. This will significantly enhance the outdoor environment for our children.

Open Evening

May I remind you that our next open evenings are on Wednesday 27th and Thursday 28th February. Booking information will be circulated nearer the time.

Book Week

A book week is being planned for w/c 4th March to coincide with World Book Day.

House Captains

New house captains have been elected by their peers following an application process and the delivering of an election speech. I'm sure they will have a rich and rewarding experience over the next two terms. My thanks to Mrs Hefferman for updating our election process and for her support of the house captains.
