## DEAR PARENTS/CARERS

### SATS

Last week, Year 6 took part in the National Assessments for the end of KS2. The focus, determination and effort that they all showed was remarkable and they made our staff and their parents proud – excellent job! Across the month of May, Year 2 children are also taking part in National Tests and they are doing an equally excellent job.

### Deputy Headteacher

I am pleased to announce that Emily Cooper will be joining us as Deputy Headteacher from September. Miss Cooper is very much looking forward to joining the school and I am sure that you will all ensure that she is welcomed into our community.

### Queen's Jubilee

The school has taken part in MP Gareth Johnson's art competition. Two winners have now been selected - Katherine from 2KR and Lola from 5RK. Their artwork will be on display in Bluewater in June. Well done to the girls and thank you to Mrs Potts for organising this. We look forward to further celebrations in school on the 27th May as children come into school in Red/White/Blue and with a special snack for our "street party" - please see the details in a separate letter.

### Music Events

The school recently enjoyed a live performance from Kent Music, where children were able to experience a range of instruments played by music teachers from across the county. On the 4<sup>th</sup> May 51 children attended the Young Voices concert at the O2 Arena. The children formed part of a huge choir of 7500 on the night who performed an array of songs following their sessions with Mrs Archibald and Mrs Randall. It was a fantastic experience for the children and a very memorable event for those involved.

### Clubs

I am delighted to report that we have 23 clubs running in school this term. Please ensure that if your child is signed up for one of these clubs that they attend each week. If there is a specific reason they are not able to attend, please ensure that the office are made aware.

### Circus

The circus is coming to town on Thursday 26th May. Many thanks to all of you who purchased tickets to the event, which is now sold out. Tickets will be distributed in the coming days. Entry to the event will be through the James Road entrance only from 4.00pm.

### Lunch time running club

Mrs Hill has organised a lunch time running club who are planning to run from London to Scotland. So far they have completed 1099 laps around our running track which works out to be around 140 miles.

### Parking

Please may I remind all parents and carers that it is strictly prohibited to park on or stop to drop your child off on the yellow lines and zig zags outside of the school. The council parking officers are in regular attendance and more importantly these areas must be kept clear in case of any emergencies.
