SCHOOL NEWSLETTER 4

Dear Parents and Carers

While we have had to respond rapidly to the increasing COVID infection rates in the local area by shutting down bubbles with positive cases, it has been really pleasing to see the life of the school continues as normally as possible under the circumstances.

This newsletter illustrates some of the fabulous work that has taken place recently about Remembrance Day, the Rainforest and other celebratory work around the school.

Hopefully this spreads a ray of sunshine across the Wentworth Family

Charity updates - thank you so much for all your support:

MacMillian Coffee Morning - £142 !!!

BBC Children in Need - £938 !!!
